All 5 components of our Standard Drawer Box are made using 5/8” UV2S Plywood with blind tenon on all joints. Pocket screw holes machined on front & back for assembly, screws included. Top edge has clear finish veneer edge band applied. Back of drawer box is flush with bottom with 5mm hole drilled to allow use with most under mount guides. Standard Drawer Boxes are supplied Ready To Assemble.

Dovetail Drawer Box

Solid 5/8” Natural Maple side with ¼” bottoms, all with clear lacquer finish applied and supplied assembled. Options include notch for under mount guides, 3/8” bottom, and other wood species.
Thank you for choosing Stonehenge Ready To Assemble Cabinets as your choice of custom fabricated cabinets.

The choice will be clear that you have purchased one of the very best fabricated boxes on the market.

You will discover the quality and ease of assembly that are associated with our RTA cabinets.

Identification labels, pre-drilled screw holes, and locations for drawer guide mounting are just some of the features you will find in our cabinet components.

Thank you for considering Stonehenge RTA cabinets to better help your business in today’s market. We are one of only a few companies that can provide your complete needs in Face Frame, or Frame-less style cabinets; boxes only OR complete with doors, drawer boxes, and hardware. Shipped to you finished or unfinished.
